January 2014 /Vol.61

Happy New Year 2014!!!!

New Year`s greeting to all of our clients and partners.

We greatly appreciate your support and interests in the year of 2013.

Looking back upon the past year, we have reached 2000 installations in 57 countries and broke the highest sales record ever.

We will continuously provide our best solution available to our precious customers.

Thank you again for your support and we wish the best to you.

Government Project in the Philippines

After been selected to take part in the Official Development Assistant project of low carbon society development in Cebu-City, the Philippines, AMCON INC. has conducted a one month pilot test and demonstration during January 2013.

5m³ of septage was transported daily to the city's one and the only sewerage treatment plant which has been out of operation for decades and the septage was dewatered by Volute Dewatering Press.
